

Organics IN EVERY AISLE

Organic products are good for you, good for the Earth — and, when you buy them at BJ's, good for your wallet, too. That's because BJ's is constantly expanding its selection of Certified USDA Organic products, bringing you exceptional values on the products you buy most. Find fine products like these, in-Club now.

1. Swing by BJ's Fresh Bakery Aisle for freshly baked organic breads from **Wellsley Farms®**. Choose authentic **Sourdough Boule** or hearty **Whole Wheat Loaf** to enjoy with your favorite cold cuts or warmed with butter.

2. Why settle for conventional produce from supermarkets when you can enjoy top-grade, organic fruits and veggies for about the same price? Serve your family **King's River California Naval Oranges**, **Earth's Pride® Baby Carrots**, **Fresh Express® Baby Spinach*** and more.

3. For cooking, sandwiches, entertaining or just plain snacking, **Wellsley Farms® Artisan Collection Extra Sharp Cheddar** and **Chevire® Goat Cheese** offer unparalleled flavor and versatility. Find them in BJ's Cheese Kiosk.

4. Need easy organic meal solutions? Serve **Wellsley Farms® Organic Spinach & Cheese Ravioli** with **Organic Girl Spring Mix***, table-ready in 10 minutes or less. Or grill up **Earth's Pride® Organic Beef** and **Chicken Burgers**, freezer to bun in under 15 (just add **Heinz® Organic Ketchup**). Find more in-Club.

5. BJ's Beverage Aisles have lots of ways to stock up and save on organics. Pick up cases of **Honest Kids® Juice Pouches** and **Sweet Leaf® Tea** for brown-bag lunches. Or, quench your thirst for value with family-sized **Earth's Pride® Organic Apple Juice** or **Lemonade**.

6. You drink skim, your husband prefers 2% and the kids need whole milk. With **Earth's Pride Organic®** half-gallons and **Horizon®** gallons, you can get everyone the right variety, in just the right size — plus, big savings over supermarket organic prices, too.

7. Everyone loves yogurt. That's why BJ's has organic options for all ages. Pick up plenty of **Stonyfield Farms® Yo Baby** for the little ones, or give yourself a treat with a case or two of **Wallaby® Organic Yogurt**.

8. Stocking your pantry? BJ's value-priced staples make it easy to choose organic. Look for **Rozanno® Organic Olive Oil**, **Pacific® Organic Low Sodium Broth**, **Earthly Choice® Quinoa**, **Wholesome Sweeteners Organic Sugar**, and lots more.

9. Take a break from high prices and enjoy homebrewed barista-style drinks. How about soy lattes made with **Earth's Pride® Organic Whole Bean Coffee** and **Silk® Organic Soy Milk**. Sweeten it with a drop of **Honey Tree's Blue Agave Nectar**.

10. Skip the snack machine and satisfy your hunger with delicious organic snacks from BJ's. Kids love **Annie's® Fruit Snacks**, made with real juice, while **Wellsley Farms® Organic Trail Mix** gets the grown ups moving. Check out all-natural options, too.
